Dear Prospective Patient,

Please bring your completed intake form to your appointment. You may also bring along any health records you have, particularly lab records, and a list of any natural or prescription medications you are taking. You might want to write down any thoughts and questions regarding your current state of health, challenges and goals you may have. Bring a diary of your food intake in the last five days prior to your appointment.

Payment is required at the time of visit. Cash, check and credit cards are accepted. There is a Fee Schedule on the MVWC website to help you to budget for your appointment.

Dr. Sierra does accept and directly bill Medicaid (Apple Health of WA.) She can bill a few other insurance companies directly; please ask if yours is included.

A patient with private insurance not directly billed by Dr. Sierra may choose to send a claim to their company. This is called a patient submitted claim. Receiving reimbursement from a medical insurance company is subject to their policies.

Patients will receive a receipt and can also request a "super bill" which contains diagnosis and treatment codes. It also shows that the patient has paid for the visit. To submit a claim one must download (from the insurance companies website) a patient submitted claim form, fill it out, include a copy of the superbill and a copy of both sides of their insurance card. All is mailed to the address on the form. We are happy to help with any questions you have about submitting your claim.

Patients who have Health Savings Accounts or Flex Spending Accounts can pay with their HSA or FSA credit cards or checks.

If you need to change your appointment day or time, please give us 24 hours notice. You may be charged for appointments missed or canceled without sufficient notice depending on the circumstances.

We are looking forward to meeting you. Thank you.

Sincerely,

Dr. Sierra Breitbeil, ND
